NEET / IIT (JEE Main / Advanced) – COACHING CIRCULAR

Dear Parents,

“It is not the beauty of a building you should look at, it’s the construction of the foundation that will stand the test of time.” **- David Allan Coe.**

We are happy to notify you that we will be starting NEET / IIT (JEE main & advanced) classes from April 1,2021 which will be dealing with XII – grade syllabus. The students will be trained in an expository manner to embark themselves into colourful kites.

One of the main problems faced by the students of grade 11 is the sudden increases in the overall difficulty level. The difficulty level of grade 10 and grade 11 is vastly different. It almost takes 4 to 6 months for students to catch up and get the grasp of the subjects, which is the regular scenario. Whereas, now the pandemic situation, 75% of the portions were taken through the online mode, still the impact can be seen in the regular class rooms.

That is why the school has meticulously planned and appointed subject matter experts in Physics, Chemistry, Biology and Mathematics through several screening procedure. These subject matter experts will be dealing with NEET/IIT (JEE main and advanced) syllabus which will be a specially designed courses, will help your kids to strengthen the contents as well as foundation well strong. CBSE board exam as well as other competitive exams required lots of preparation which are extremely demanding. So, why not to start from the very beginning to get an upper hand. Not only that, with the right guidance, they can go for school level competitive examinations. The secret behind this course to create a good base and build everything upward.

The following are the salient features of our academic programs,

1.

GRADE	MONTH & YEAR	DURATION
XII – Course	April – 2021 to December –2021	9 Months
XI - Course	February – 2021 to March – 2021	Completed
	January – 2022 to July – 2022	9 Months

2.

CLASS	DAYS
NEET / IIT	3 days / week (Thursday, Friday & Saturday – Full day)
NCERT	3 days / week (Monday, Tuesday & Wednesday – Full day)

3. Both NCERT and NEET class chapters will go hand in hand. **(Both in NCERT and NEET same chapters will dealt)**

4. Academic year plans have been framed very meticulously pertaining to the conceptual and examinational needs. Hence balanced focus on board along with IIT – JEE / NEET prepared.

5. Every week end assessments will be carried out and results for the same will be informed both to the parents as well as to the students.

6. The classes will be hassle and stress free catering not only to the competitive exam like NEET & IIT but also to secure high marks even centum in the Public Examination.

7. Teaching and learning will be keenly analysed where ever the remedies and required will be catered.

8. Fee structure is very nominal and has been fixed based on the financial ability of the parents. According for **grade XI – 25,000/- and grade XII – 30,000/-** including the study material. This replicates the best quality program at most economical fees.

Teaching Methodology :

- Class room teaching (In-depth exhaustive lectures and numerical tutorials)
- Daily practice problems and worksheets.
- Everyday doubt clearing sessions. (one to one discussion forum between the student and the teachers)
- Testing system. (Regular minor and major tests)
- Academic performance analysis. (Performance analysed at micro and macro level)

Dear parents, I wish your wards to enroll themselves in to this academic program, which is not only for competitive exams, but to elevate with high marks in board examinations.

Dear Students, future belongs to you, your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as successful individual.

**With
Prayers, Wishes & Love,**
